We'd like you to write a short **letter of motivation (in English)** answering these questions:

- 1) Describe yourself, your family and your pets (if you have any), your living arrangements and your hobbies to give us an idea of who you are.
- 2) What are your personal reasons for wanting to participate in a long-term exchange?
- 3) What does your family think about this exchange (considering that they'll have to incorporate a host student for the same amount of time that you're abroad)?
- 4) How are you going to accommodate the exchange student?
- 5) Which experiences have you had with going abroad so far?
- 6) What are personal benefits that you expect from participating in a long-term exchange?
- 7) The exchange requires you to handle work abroad as well as stay informed about work at BG Rein. Which skills will help you juggle both responsibilities?
- 8) Going on a long-term exchange means you will represent our school in another country. What makes you a great candidate for this?
- 9) Name the places you can imagine going to from 1 – 3 (1 is first choice) and define how long you'd like to stay there:
 1. _____ (____ months)
 2. _____ (____ months)
 3. _____ (____ months)

Add a file with some pictures of yourself (and your family and friends) to this application!
If you have any medical conditions that might be relevant please attach these too.

Please hand in the application, the pictures and the letter of motivation by the end of January
(printed out or via email to Katharina Schwaiger: kschwaiger@bgrein.at).
